

Rudná u Prahy

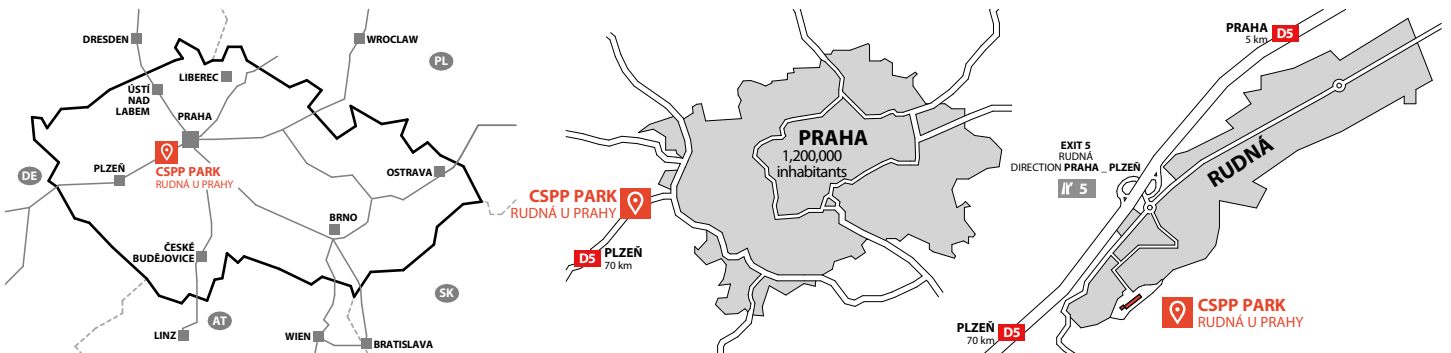

DB SCHENKER headquarter ČR

**COMPLETED
2013**

In 2013, in Rudná near Prague, close to the D5 highway we built the new Czech DB Schenker headquarters. It is a logistics terminal and a modern office building with a total floor area of more than 13,000 square meters. The project was procured on the basis of a development competition and was implemented by the general contractor Strabag in a 8 month period.
